Electra Film and TV	Casper Leaver DOP

BA (hons) in Photography studied at Salisbury College.

I have 3 years experience at Electra film and television facilities house; maintaining and using kit in house, and on location for many different styles of shooting from documentary to drama.

I can also competently set up ABC and Speedy cranes, dolly, track, lights and have had in house training with the DJI Ronin and the Tiffen Scout Stedicam.

Clean driving licence.
