Education: 2:1 in BA (Honours) Television Production. 2003-2006 Middlesex University

Skills and Experience: After graduating from university I worked as a freelance camera operator for Asparagus Media, filming corporate role plays. Following this I spent three and a half years at Electra Film and Television, training and working as an in-house camera assistant/operator. Since being freelance I've worked on a variety of programs around the world including documentaries, dramas, music, promos, travel, motoring, cookery, studio, junkett, multi-camera, corporate.
