Employment/Background

I have been a freelance camera assistant since March 2015. I have worked on a variety of corporate, film and tv productions as a camera assistant and second camera. In Sept 2015 I qualified as a licensed drone operator.

Along with this range of cameras I am also familiar with a range of grip equipment including Gimbal and Steadicam and Car mounting solutions. I am also comfortable with most lighting solutions.

I own and operate my own drone equipment, my equipment includes;

DJI Phantom 3 professional

DJI Inspire 1 with both X3 and X5 cameras

I can also operate Freefly and other drones if required.

I currently have a full clean UK's drivers licence.

Currently a Sole trader with current LP10
