A photograph of a sunset over the ocean. The sun is low on the horizon, creating a bright orange and yellow glow. Large, dark clouds are silhouetted against the bright sky. In the foreground, the silhouettes of two people are visible on a beach, looking out at the water. The overall scene is peaceful and scenic.

Since 1998, I have worked across many disciplines in the industry and used a wide variety of kit. My credits include corporate, EPKs, junkets, premiere red carpet, reality TV and drama, in a variety of handheld, single camera and multi-camera shoots. I am happy working alone or as part of a large team, and can manage responsibility and high-pressure situations effectively.
