WEAPON . F55 . FS7 . C300 . DSLR . XDCAM . MINICAM

I am a hard working and skilled Lighting cameraman with experience in commercial, documentary, drama and multi-camera. Having worked three years freelance, and three years at a leading facilities company, I have gained a wide range of skills. This includes a knowledge of cameras, lenses, grip and lighting techniques. I have worked in both small and large crews across the UK and internationally.
