Professional Experience

I am currently a freelance Camera Assistant/Operator. Before going freelance I spent 5 years working at Hotcam facilities House. In that time I've gained experience preparing cameras in the kit room, while also being out on location as both assistant and Operator. I have also taken part in a focus pulling course from The Guild of British Camera Technicians. Whilst at Hotcam I also used their engineering and hothead systems on shows like X Factor, Britain's got talent, Celebs go dating and Ex on the Beach.

Equipment

I am proficient in using the following camera equipment, Arri Amira, Sony F55, Sony F800, Canon C300, Canon 5D, Canon XF305, Sony EX3, Sony FS700, Sony FS5, Sony FS7. In terms of lenses I have experience working EF and PL mount systems, including the Canon EF, CP2 and Cooke minis.
