[mail@linklinecrew.com](mailto:mail@linklinecrew.com) / +44 (0)20 8426 2200

I spent three years working at the facilities company Shift 4 as a Kitroom Technician and Camera Assistant. During this time I developed an in depth knowledge of a range of camera systems, lighting and grip equipment. I've since built on this background by working on a range of productions spanning commercials, online content, documentaries, factual entertainment and drama. I believe I bring a hardworking, friendly, and imaginative presence to set.

Full clean UK driving licence with own car - Proficient DIT with 15.6 Macbook Pro for data transfer - Keen stills photographer - Own A7s kit with EF lenses - BA History (Hons) 2.1 University of Liverpool 2010
