## PERSONAL STATEMENT

I work on feature films, tv dramas and commercials with the most up-to-date cameras (Arri, Red, Sony) and lenses (both spherical and anamorphic). I am experienced focus pulling at fast apertures in a great variety of situations, from tracking shots to steadycam or handheld, from macro shots with diopters to techno cranes or grip tricks.

I've trained at Panalight Milan.

Carlos Catalan, Dave Meadows, Alvaro Gutierrez, Luke Palmer, Michael Sanders, Roy Estabrook, Jeremy Hewson, Jamie Gramston, Allistair Upcraft, Xavi Amoros, Paul Jenkins, Jeremy Cairney, Will Hanke, Steve Weiser, Lee Pullbrooke, Brian Strange and Robin Fox are a some of the Dps I've worked for.
