BOOMINSHOT@MAC.COM [WWW.BOOMINSHOT.COM](http://WWW.BOOMINSHOT.COM) - CLEAN UK DRIVING LICENSE  
BASED IN BRIGHTON - UK

## **Profile**

I have been a location sound recordist and sound supervisor for over 20 years, working on every kind of shoot imaginable. From simple interview setups, to sound supervising multi camera multi radio mic productions.

I have a passion for capturing perfect sound, even under the most challenging of conditions, and I have gained a strong background in documentary, factual, drama and entertainment program making.

## **Recent Credits Include**

### **SOUND RECORDIST - MADE IN GREAT BRITAIN - DARLOW SMITHSON - BBC**

Living history series presented by Steph McGovern which takes four contemporary makers on a journey into Britain's manufacturing past, and reveals the intriguing stories behind some of Great Britain's most iconic products.

### **SOUND RECORDIST - CHRISTMAS SKIES - WINDFALL FILMS - BBC**

Chris Packham and Michaela Strachan explore the wonders of the night sky and the natural world. From planetary conjunctions and Oryx in the Jordanian Desert to the Aurora Borealis and Orca whales in Norway
