

Julian Chatterjee

sound recordist

mobile: +447785 540282 mail: julian@chatterjee.co.uk address: 148 Fifth Avenue, London W10 4DU

I've been a freelance London based sound recordist for over 20 years, working in mainly entertainment and factual television both in the field and in studios. I own or have easy access to multitrack recording equipment and multiple radio mic channels plus all of the associated accessories required to facilitate a successful and smooth recording environment. I frequently work with large teams but I'm very happy as part of a more compact unit too.
