I am a freelance sound recordist with over 20 years' experience working on commercials, broadcast TV series, corporate films, drama, children's programmes, short films, reality and entertainment shows. I have worked throughout the UK and worldwide.

### EQUIPMENT

Full PSC Kit:

Including wireless link to camera and multi-track recording, multiple radio mics, timecode sync boxes, director's wireless radio headsets and a wide selection of microphones with a comprehensive range of adapters, accessories and gadgets for drama, interviews, documentaries, fly on the wall filming. All of my sound equipment is constantly updated and if I don't already have what you need for the project I know I can supply it.
