TOM CLIFFORD works as a Camera Operator across various media formats - TV, Commercials, Sport, Music, Corporate and Branded Content. He has worked on a broad range of productions varying from multi-camera setups to single camera interviews. Tom has also worked as a Mini Cams specialist and in Tech Manager roles involving large scale wireless gallery setups and live streaming. Many of the shoots Tom has worked on have involved extensive travelling and filming in harsh environments. Tom also owns a lot of his own filming equipment, see below. Tom is an experienced CAA Approved Drone Pilot.
