Now in my 12th year in professional sound, having travelled around the world as a location Sound Recordist, Studio Sound Recordist/Mixer and fixed rig Sound Supervisor. I also own an acoustically treated studio for sound editing and audio post production. Having worked on a plethora of productions (obs/doc, studio, commercial, BTS/EPK, multi camera, fixed rig, outside broadcast) including BAFTA nominated productions. I can provide solutions to almost any production requirements.
