PERSONAL PROFILE

I am an NFTS Location Sound Diploma graduate. After working extensively in live sound, technical install, and sound recording short films, I graduated from NFTS and worked as a Trainee. I now work as a Sound Assistant and Boom Op, whilst occasionally recording sound as a PSC.

SKILLS

- Full clean driving licence with own car (Class 1 business insurance).
- Strong technical knowledge and experience familiar with industry standard equipment.
- Good social skills, able to communicate well with cast and crew while working well under pressure, highly organised.
