

Chris Dunford

Cameraman

about.

An experienced and professional crew member with over 16 years in the industry.

Experienced in all aspects of television, corporate and commercial work, I am proficient in all modern formats and pride myself on keeping up to date with kit developments in this fast-changing field.

Comfortable with filming abroad and the difficulties this can bring, be it in the South American jungle or the deserts of the Middle East

additional information.

- Own Sony FX9, FX6, FX3 cameras, gimbal, lighting, VW Crew Van.
- Attended BBC Health and Safety seminar
- Inoculations for most global locations.
- Experienced in vehicle tracking and aerial filming.
