I am a hard working and skilled Lighting cameraman with experience in commercial, documentary, broadcast and multi-camera productions. Having worked for over ten years in the industry, I have gained a wide range of skills. This includes a knowledge of cameras, lenses, grip and lighting techniques. I have worked in both small and large crews across the UK and internationally.

Kit:	Sony FX9, Sony FX3, Ronin-S, Sony G-master zoom lenses, Zeiss prime lenses, lighting, audio and monitoring packages.
