

Joe Beck - Camera Operator - 07915 071943 - SE20 8PL

I am a highly motivated professional with a strong technical background, having worked for six years in camera facilities companies before starting my freelance career in 2019. I have in-depth knowledge of many different camera formats and lighting methods, and I enjoy collaborating on projects and capturing awesome visuals! With experience working across many different genres I have developed a strong editorial eye, and know the importance of collaborating to make the shoot a success.
