Sound Recordist working for the television, media and film industry. Based in London, UK, I am available to travel. European and British passport holder.

I have worked with some of the biggest broadcaster around the globe on live and pre-recorded shows for BBC, NBC, ABC, CBS, SBS and more on TV, Films, Commercials, Documentaries and Corporate films always adapting quickly to every location and production type.

Owning and working with high-quality sound recording equipment means that I am always ready for the next challenge, providing the best audio quality for each project.
