

Conscientious and adaptable Director of Photography with over 15 year's experience producing high quality branded content, commercials and broadcast TV. Demonstrating advanced technical knowledge, a high level of creativity and a distinct visual style, I pride myself on my professionalism and can be relied upon to collaborate with producers and directors to deliver their vision.

- Over 15 years UK & international filming experience.
- 3 years technical training at facilities house.
- Adept at filming in remote and harsh environments including jungles, mountains and deserts.
- Highly skilled MOVi & Ronin operator.
- In-depth knowledge of camera equipment and formats.
- Strong editorial eye for identifying and following stories.
