PERSONAL STATEMENT

I have developed my focus pulling experience on feature films, tv series and commercials with the most up-to-date cameras and lenses. I have performed in a great variety of scenarios, from tracking shots to steadycam, gimbals, handheld, cranes, moving vehicles, macro shots and so forth.

I've been London based since 2010 where I got my diploma at the London Film Academy in 2010. Panalight Milan was my training ground for 2 years (2008-2010). I've also attended the GBCT Focus Pulling Training in 2019, @Take2.

Carlos Catalan, Mike Sterzynski, Nick Dance, Xavi Amoros, Dave Meadows, Alvaro Gutierrez, Nicola Daley, Korsshan Shlauer, Johann Perry, Dan Stafford Clark, Tom Pridham, Will Hanke, Paul Jenkins, Stuart Luck, Jamie Gramston, Kevin Pearcey, Luke Palmer, Ness White, Roy Estabrook, Jeremy Hewson, Allistair Upcraft, Steve Weiser, Lee Pullbrooke, Brian Strange, Michael Sanders and Robin Fox are names of Dps I've worked for.
