

TOMMY HENMAN

AC / DIT / Junior OP / Drone

I'm a skilled camera Assistant/ Junior OP specializing in documentaries, with additional experience in reality TV, studio productions, live events, commercials and corporate. Having spent three years at a camera rental house, gaining extensive technical expertise and a thorough understanding of various equipment. I like to think im known for my adaptability reliability, and problem solving. I love working in adverse and difficult environments. I have a commitment to excellence and a strong collaborative skill set that makes me a valuable asset on any set.
