

JAMES SPENCER Lighting Camera Operator

+44(0)7752149386 / jamesspencertv@gmail.com / www.jamesspencer.tv

I'm a friendly and extremely positive Lighting Camera Operator, able to adapt to suit your production needs. As a DOP/Lighting Camera Operator, my aim is to create beautiful dynamic visuals for your production with a friendly attitude on set. I'm always researching the latest tech & have extensive knowledge of current filming equipment and lighting setups so you get the very best from me, every time. I enjoy fast paced filming and capturing beautiful moments at the blink of an eye. I'm experienced and love shooting all formats, including Documentaries, Reality, Branded Content, Sport Features, Live, & Commercials. I am just as comfortable self directing as I am taking direction & working in a multi camera team.

Owned Equipment:

Sony FX9 Package
DJI Mini 4 Drone
DJI RS3 Pro

Extras:

Clean UK Drivers Licence
UK & EU Drone Licence
First Option Approved
Well Travelled with Carnets
