### SUMMARY

As a highly experienced DOP, I specialise in crafting visually compelling narratives across a diverse range of genres, including entertainment, drama, documentary, comedy, live, commercials and branded content.

With over 20 years of experience, developing a deep expertise in cinematography, utilising innovative camera techniques and lighting to elevate storytelling and bring creative visions to life.

My work spans major international productions, where I thrive in high-pressure environments, seamlessly adapting to different styles and technical challenges. Skilled in both studio and location shoots, I have a meticulous eye for composition, movement and lighting design, ensuring each frame enhances the narrative and engages audience.
