FILM & TV SOUND RECORDIST

With a wealth of experience as a Production Sound Recordist/Mixer based just outside South London, I have been involved in numerous television dramas, films, documentaries, reality programmes, commercials and corporate shoots within the UK and Worldwide. I own the most up to date equipment available for scripted drama or documentary work, you can be sure of a broadcast quality audio recording service. I have been freelance for over 25 years.

The following is a selection of programmes I have worked on in the last few years.
2021 was a busy year for me working mostly on films and major scripted tv dramas.
