Highly versatile, skilled and intuitive Camera Assistant with a solid five years of experience working for leading rental facilities and freelance since summer 2019. Passionate about cameras with extensive knowledge of Arri and Red to Sony and Canon, as well as GoPros and various DSLR/ Mirrorless cameras. Regularly researching the latest tech and have experience with a range of supporting equipment, from the basics such as Digi Dolly, Rolling Spider and Ronford Baker Slider to technical kit such as Floatcam Dollycrane and Movi/ Ronin Gimbal. Able to set up galleries and basic lighting independently. Enjoy working on large shoots with multiple crew members at many different experience levels. Full clean car licence held for 10+ years, with experience driving LWB vans.

CHARITY VOLUNTEER

Dreamflight Videographer
The charity Dreamflight takes away 192 sick and
disabled children on a trip of a life time every year.

I've donated my time in 2014, 2015 & 2017, to help
produce a 90-96 minute keepsake videos for 1 of the
12 regional groups. The video team is headed up by
Jon Boast.
