PROFILE

Sound Recordist with over 10 years of experience specialising in live sports and documentary production, with a strong focus on motorsport. Skilled in capturing high-quality audio in fast-paced and dynamic environments, with credits including BBC, Channel 4, Sky, and Formula 1. Experienced across a wide range of genres, from live broadcasts to long-form documentaries such as Red Bull's Born Racers and Amazon's Built in Birmingham: Brady and the Blues. Known for a meticulous approach, thorough notekeeping, and collaborative working style, with international experience spanning over 30 countries.
