

RICHARD SHAW

CAMERA, DRONE & PTZ OPERATOR

(+44) 7921351244 - richardshaw1986@googlemail.com

www.richardshawcamera.com

A London based camera operator & assistant with a wide range of technical experience spanning many industry genres. Highly motivated, I'm a calm and friendly professional with a passion to achieve the task at hand with a creative flair and in-depth knowledge of the industries latest technologies.

Always looking to embrace new challenges, I enjoy being involved with a wide variety of productions which offer a diverse technical specification. This has enabled me to be actively involved in roles such as technical management for multi-camera programmes and minicam/PTZ operations and installations.

Each role is approached with a passion to succeed and deliver the highest standard to ensure a productions vision is realised.
