## EXPERIENCE

Melvin is a creative Director of Photography based in London. With over 15 years' experience in television and film Melvin works across a variety of genres for UK primetime broadcast and SVODs. His work has taken him to every corner of the UK and around the world. Trained in photography, Melvin has an expert eye for painting pictures with the camera. He has a passion for collaborative storytelling and is dedicated to crafting a quality product. Notably, Melvin has recently won an Emmy for his cinematography work on The Traitors.
