National Film & Television School

Diploma - Location Sound Recording

Thames Valley University

BA Hons - Music Technology & Multimedia

I am a lifelong sound enthusiast; with the skills, experience and qualifications to back up my passion. Through extensive work in film and television I have found professional inspiration while collaborating as part of a dedicated team. I graduated from the Location Sound Recording course at the NFTS. In recent years my experience has been in media production, shooting, Commercials, Corporate and Branded Content, Documentary narrative Short Films, Feature Films and Television Drama.
