

PROFILE

I am a Camera Assistant specialising in broadcast and entertainment television multi-camera productions. I have previous experience working in a busy London facilities house, supporting factual entertainment, concerts, music videos and film. I am hard working, driven and detail-orientated.

SKILLS:

- Technically proficient across: SONY, ARRI, CANON and RED systems and more.
- Broadcast workflows (Camracer, Copperhead, Camins, etc.)
- Operating
- Minicams / Gimbals
- Grip
- Lighting
- Wireless transmission and monitoring systems

I have experience on UK and international locations, including carnets and equipment import/export and hold a full UK driving licence. Based in Bristol and London.
