ANOUSKA PROCTER

DIRECTOR OF PHOTOGRAPHY | LIGHTING CAMERA WOMAN

Cardiff / London • 07710 357768 • Anouska.Proctor@Gmail.com

PROFILE

Versatile freelance lighting, camera woman and Director of Photography, working across factual entertainment, scripted drama and comedy, reality television, documentaries and branded content.

Over the past year, my career has increasingly focused on DOP roles, now accounting for approximately 70% of my work, with a clear progression towards larger, more ambitious productions and greater creative responsibility.

Experienced in single-camera, multi-camera and cross-shooting environments, I combine strong technical expertise, developed through my early career at a London-based camera facilities house, with a creative and adaptable approach to visual storytelling.

Represented by Linkline Crew.
